

National Mineral Exploration Trust (NMET)

Expression of Interest for Empanelment of Exploration Entities

Corrigendum-4

Corrigendum to 'Queries & Responses on the EOI' issued by NMET

(Queries & Responses on the EOI dated February 3, 2017 for EOI Request No: 4/1/2015-NMET dated December 27, 2016)

The updates mentioned in this Corrigendum shall be applicable to the Queries & Responses on the EOI dated February 3, 2017 which was uploaded in response to EOI Request issued by NMET for the purpose of Empanelment of Explorers with NMET pursuant to Notice dated December 27, 2016.

With respect to query number 38, 41 and 43, the response may be read as below:

“The Explorer will not be barred from participating in the auction of the mineral concession if evidence of mineral content is established in the block for which it rendered its services as an Explorer.”
